# ABOUT US

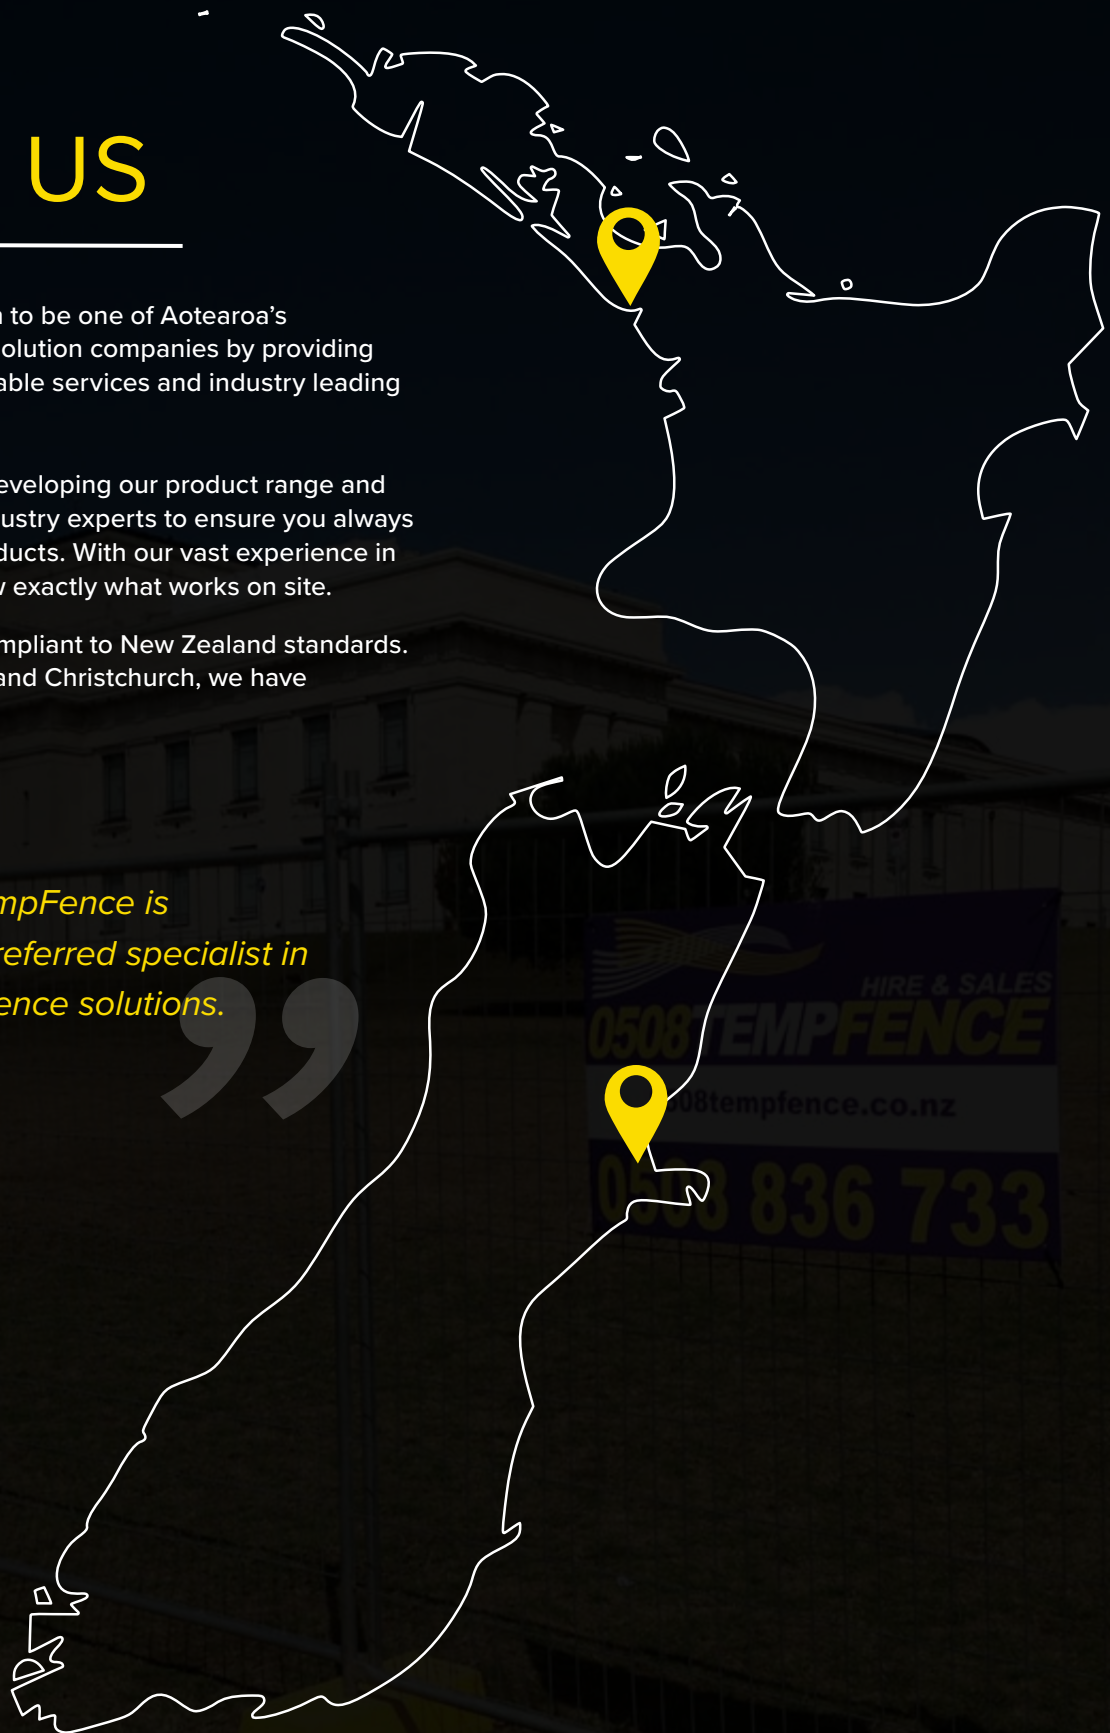

---

0508TempFence has grown to be one of Aotearoa's leading temporary fencing solution companies by providing competitive prices, fast, reliable services and industry leading products.

Since 1999 we have been developing our product range and systems with the help of industry experts to ensure you always receive the best quality products. With our vast experience in temporary fencing, we know exactly what works on site.

All our products are fully compliant to New Zealand standards. With branches in Auckland and Christchurch, we have New Zealand covered.

*0508TempFence is  
New Zealand's preferred specialist in  
temporary fence solutions.*

# TEMPORARY FENCING AND BARRIERS

At 0508TempFence, we're proud to be leaders in temporary fence hire. But did you know we also offer a selection of portable fencing for purchase? Purchasing is often the best option for those who plan to use temporary fencing for two years or more.

We provide various styles of fencing to suit your site's specific needs. Pair our fence panels with a selection of accessories like plastic and concrete fence feet, clamps, handrails, dog bars, shade cloth and stays for a complete temporary fencing system.

# SITE SECURITY CAMERAS

0508TempFence strives to offer the best in Site Security services. Our Solar/Wireless Security Camera Systems monitor and protect your site and assets, with 24/7 visibility. Take control and reduce your risk of theft and crime. Whatever your site requirements, we have a camera to suit your needs, with in-ground, above-ground and container mounted options.

## **Smart motion detection**

Our AI motion detection technology helps you to focus on human and vehicle events. The device will only trigger an alarm when the preset intrusion type (human or vehicle) takes place and videos related to alarm events are sorted into human and vehicle categories for easier footage searches.
